

PRESTON

Corridor Plan

SHARE YOUR VISION FOR THE PRESTON CORRIDOR

Louisville Metro Government has begun the process of analyzing the Preston Corridor from the waterfront to the county line, with the goal of improving transportation, land use, and economic development. The project team will be available along Preston Street and Highway to have conversations, distribute information about the project, and get feedback from the community. Come meet them and share your ideas at the following locations throughout the morning of November 17, 2021:
